"Divide" and "Division" does not include a property transfer between two or more adjacent parcels, if the property taken from one parcel is added to an adjacent parcel; and any resulting parcel shall not be considered a building site unless the parcel conforms to the requirements of the State Land Division Act, or the requirements of other applicable local ordinances.

- C. The assessor or designee shall maintain an official record of all approved and accomplished land divisions or transfers.
- D. Approval of a division is not a determination that the resulting parcels comply with other ordinances or regulations.
- E. The Township and its officers and employees shall not be liable for approving a land division if building permits for construction on the parcels are subsequently denied because of inadequate water supply, sewage disposal facilities or otherwise, and any notice of approval shall include a statement to this effect.

A proposed land division reviewable by the Township shall be approved if the following criteria are met:

The Township shall further have the authority to initiate injunctive or other relief to prevent any violation or continuance of any violation of this Ordinance.

An unlawful division or split shall also be voidable at the option of the purchaser and shall subject the seller to the forfeiture of all consideration received or pledged therefore, together with any damages sustained by the purchaser, recoverable in an action at law.

Section IX: Severability

The provisions of this ordinance are hereby declared to be severable and if any clause, sentence, word, section or provision is declared void or unenforceable for any reason by any court of competent jurisdiction, it shall not affect any portion of this ordinance other than said part or portion thereof.
