Campground Report:

Robin gave us an update on what was going on at the park. She presented a list of the Electrical upgrades that have been done and said that all the electrical pedestals have been inspected. There is still Electrical work that needs to be done but it will probably have to wait until the park closes in the fall.

The new campground rates for the coming season have been approved by the Township Board.

Daywi said that she thought that Ben Baker from Wightman would be back out at the park in the coming week to finish looking over what needs to be done.

Covert Township Park Beach & Campground Budget:

Daywi presented a proposed budget and explained the changes from last year.

Motion by W. Rendell seconded by J. Snow to approve the Covert Township Park Beach & Campground budget as presented and to forward it to the Township Board and recommend approval.

Motion Carried.

Other Business:

Covert Community Park:

Pavilion. Discussion was had on what the next step should be and it was decided that we needed to get an estimate for the cost for having a pavilion built before proceeding further. We will contact a contractor to get that estimate.

We decided to wait on recommending a budget for Covert Community Park until we have the estimate for the pavilion.

Next meeting date:

Next regular Meeting – April 21 at 5:30 PM

Adjournment:
