Discuss/ Approve Bylaws All present members reviewed the drafted bylaws and offered amendments to various sections. Section 4 was deemed in particular need of amendment, and approval of the bylaws was tabled until sufficient editing was completed, with R. Job promising to bring concerns to D. Cook for discussion. Possible special meeting to be called in order to approve the bylaws before 2/25 meeting, may be conducted over Zoom if scheduling proves difficult.

Fall Planting/Winterizing Discussion B. Bainbridge suggested organizing a small group (2-3 people) to turn over/winterize beds as soon as could be scheduled. Fall planting options this late in the season are slim, but garlic and possibly chamomile were agreed upon.
